7  
8 An Investigation into Integrated Least Cost  
9 Planning Requirements

IDAHO POWER'S MOTION TO ACCEPT  
LATE-FILED COMMENTS

10 Idaho Power Company ("Idaho Power") respectfully requests that the Public Utility  
11 Commission of Oregon ("Commission") accept Idaho Power's late-filed Reply Comments in the  
12 above-referenced docket. Idaho Power filed its Reply Comments today, 5 business days after the  
13 original due date.

14 Although dockets UM 1056 and UM 1182 are not consolidated, they have been  
15 proceeding along similar schedules for the past few months. On September 6, 2005, the  
16 Administrative Law Judge issued a ruling extending the date for reply comments in UM 1182  
17 (but not UM 1056) to October 21, 2005. Unfortunately, due to an administrative error, the date  
18 for reply comments in both UM 1056 and UM 1182 were docketed on Idaho Power's calendars  
19 as October 21, 2005. Idaho Power does not believe that this delay will prejudice the  
20 Commission or other parties to this docket, and regrets any inconvenience caused by this  
21 mistake.
