DISPOSITION: MOTION GRANTED

On September 28, 2005, Northwest Natural Gas Company (NW Natural) filed an Unopposed Motion to Extend Time for Filing Warm Report (Motion) from its original September 30, 2005 due date to October 31, 2005.

NW Natural states that it has only recently received a report from its consultant and needs the additional time to review the report, seek and obtain further information from the consultant and determine what, if any, of the consultant's recommendations NW Natural will propose to modify the WARM program. "By extending the deadline for filing of the WARM Report, the Company will be able to provide a more complete WARM Report to the Commission." (Motion, p. 2).

NW Natural states that no parties have interposed any objection to the Motion.

RULING

I find that good cause exists to grant the Motion. The Motion is GRANTED.

Dated at Salem, Oregon this 3rd day of October, 2005.
