BEFORE THE PUBLIC UTILITY COMMISSION  
OF OREGON  
**UM 1103 (3)**

In the Matter of the Application of ) Supplement to Application  
 PORTLAND GENERAL ELECTRIC COMPANY ) For Reauthorization To  
 For an Accounting Order Approving Deferral of Costs ) Defer Intervenor  
 Related to Intervenor Funding ) Funding Costs

I. Introduction and Background:

On June 7, 2006, Portland General Electric Company (PGE) filed a request for reauthorization to defer Intervenor Funding costs. This is a supplemental filing to that application, to clarify PGE's intervenor funding account estimates.

II. Estimate of Amounts

PGE estimates the following balances of its intervenor funding accounts as follows:

<b>Fund Description</b>	<b>June 2006 Available</b>	<b>2007 Accrual</b>	<b>June 2007 Available</b>
<b>CUB Fund</b>	\$ 234,268	\$ 50,000	\$ 284,000 <sup>1</sup>
<b>Matching Fund</b>	\$ 118,296 <sup>2</sup>	\$ 50,000	\$ 168,000 <sup>3</sup>
<b>Issue Fund</b>	\$ 259,961 <sup>4</sup>	\$125,000	\$ 385,000 <sup>5</sup>
<b>Balance</b>	\$ 612,525	\$225,000	\$ 837,000

The Intervenor Funding Agreement permits intervenors to request grants from the various funds at any time during the calendar year, though the deferral periods have generally run from

<sup>1</sup> Approximate balance not considering interest accruals and exact payout dates.  
<sup>2</sup> Balance does not reflect 2006 accrual.  
<sup>3</sup> Approximate balance not considering interest accruals and exact payout dates.  
<sup>4</sup> Balance does not reflect 2006 accrual.  
<sup>5</sup> Approximate balance not considering interest accruals and exact payout dates.

July 1 to June 30. For the calendar year 2006, no OPUC orders have been issued authorizing disbursement from the PGE Matching Fund and Issue Fund accounts, and these amounts are not reflected in the balances above. Amounts will be debited to the deferral account only as funds are actually disbursed. OPUC Order No. 03-561, Appendix A, Page 3. Balances in the funds may rollover into the following year if intervenors do not use the entire amount available and some funds (the CUB and Matching Funds) permit intervenors to request advances from future year funds.
