During the public comment hearing held October 26, 2004, Staff and Portland General Electric Company asked that the written comment deadline be extended from October 29 to November 5, 2004, in order to provide participants ample time to respond to comments made since October 12, 2004. While comments filed after the deadline are not to be considered, the deadline may be extended as long as it is extended to all interested agencies and persons. *See* ORS 183.335(14).

The deadline for final written comments is November 5, 2004. The deadline for final oral comments is the conclusion of the January 4, 2005, regular public meeting of the Public Utility Commission of Oregon.
