STIPULATION**

On August 25, 2004, Portland General Electric Company (PGE) filed a motion requesting the cancellation of the hearing scheduled in this docket for August 27, 2004. PGE represents that settlement discussions with the Public Utility Commission of Oregon (Commission) Staff (Staff), the Citizens' Utility Board (CUB), and the Industrial Customers of Northwest Utilities (ICNU) are expected to result in a settlement that resolves the outstanding issues in the docket. PGE expects to file a Stipulation memorializing the terms of the settlement with the Commission. PGE also represents that the parties engaged in settlement discussions include all the parties scheduled to cross-examine witnesses at the hearing. PGE affirmatively states that none of these parties objects to cancellation of the hearing. Should a settlement not be achieved, PGE agrees to work with the other parties to reschedule the hearing.

A hearing may be postponed pursuant to OAR 860-014-0010. The parties' efforts to settle the outstanding issues in this docket warrant not proceeding with a hearing. The hearing scheduled in this docket for August 27, 2004, is indefinitely postponed. Upon the filing of a Stipulation in this docket with the Commission, this hearing shall be cancelled.

Dated at Salem, Oregon, this 26th day of August, 2004.
