Re: CP 1242/ CP 1243 Schedule

Dear Administrative Law Judge Smith:

The above two dockets have been put on hold while the issues in UCB 18 and UM 1140 have been moving forward. We are in the briefing stage in UM 1140 and UCB 18 is lagging behind due to the amount of detail and information of this docket.

On that basis, Beaver Creek Cooperative Telephone Co. (BCT) respectfully requests that CP 1242 continue to be placed on hold. However, it would appear to be appropriate to establish a new procedural schedule for CP 1243 and move that case forward. My estimate is that the decisions in UM 1140 and UCB 18 would then become available and depending on the outcome of CP 1243 then BCT can decide if we need to proceed with CP 1242 if this docket is even needed at all.

Thank you for your consideration of this request.

Sincerely

Tom A. Linstrom
CEO/President
Beaver Creek Cooperative Telephone Company
