MEMORANDUM

TO: OREGON PUBLIC UTILITY COMMISSION

DATE: November 8, 2005

Subject: Survival of Certain Agreements

As stated in the attached agreement, Qwest Corporation (“Qwest”) and Covad Communications Company (“CLEC”) previously filed a new interconnection agreement (“ICA”) with the Commission, simultaneously terminating the pre-existing ICA between the parties. Notwithstanding, the parties have agreed that certain amendments to the pre-existing ICA and other agreements would remain operative for their stated terms, or if not specified, the life of the new ICA. The parties now file the enclosed agreement identifying the surviving agreements.

Nothing herein shall be deemed as a waiver of Qwest’s position that the QPP Agreement is not subject to the filing requirements of the federal Telecommunications Act, 47 U.S.C. 252(e) or CLEC’s position that it is subject to those requirements.

SURVIVAL OF CERTAIN AGREEMENTS

This Agreement regarding the Survival of Certain Agreements ("Agreement") is between Covad Communications Company ("CLEC"), a California corporation, and Qwest Corporation ("Qwest"), a Colorado corporation (collectively, the "Parties").

On April 9, 1999, the Oregon Commission (the "Commission") approved an Interconnection Agreement between the Parties, for service in the State of Oregon, as referenced in Docket No. ARB-96, Order No. 99-248 ("Pre-existing ICA").

The Parties have now executed a new Interconnection Agreement, which the Parties are now filing with the Commission for approval ("New ICA"). Upon approval by the Commission, the New ICA will replace the Parties' Pre-existing ICA.

The Parties concur that certain agreements (listed below) are to survive the termination of the Pre-existing ICA, and will continue to remain operative as set forth therein for their stated terms or, if not specified, for the life of the New ICA. These agreements were previously filed with and approved by the Commission, except where noted that the agreement is not subject to Section 252 of the Telecommunications Act.
