Dear Mr. Abdallah:

We have received your request that, under Section 252(i) of the Telecommunications Act of 1996, Global Connection Inc. of America ("Global Connection") wishes to adopt in its entirety, the terms of the Interconnection Agreement and any associated amendments, if applicable, (the "Underlying Agreement") between AT&T Communications of the Pacific Northwest, Inc. and Qwest Corporation fka U S WEST Communications, Inc. ("Qwest") that was approved by the Commission on December 7, 2004 as an effective agreement in the State of Oregon. Global Connection is incorporated in the state of Georgia. We understand you have a complete copy of the Underlying Agreement.

By their respective signatures below, Qwest and Global Connection ("the Parties") intend that this letter serve as their agreement ("Letter Agreement") for Global Connection to adopt the Underlying Agreement under the following terms and conditions:

1. The Parties acknowledge that Qwest believes that the Underlying Agreement no longer accurately reflects the state of the law regarding certain of Qwest's interconnection and unbundling obligations and that, accordingly, Qwest does not believe that it is obligated to allow Global Connection to adopt the Underlying Agreement without a corresponding amendment that Qwest believes will bring the Underlying Agreement into compliance with current law. Qwest therefore has prepared and provided to Global Connection the attached "TRO/USTA II Amendment," which Qwest believes brings the Underlying Agreement into compliance with current law. Accordingly, the Parties agree to execute and file for Commission approval the attached "TRO/USTA II Amendment" contemporaneously with this Letter Agreement, which amendment thereafter will serve as an amendment to this Letter Agreement.
2. The Parties shall request the Commission to expedite its review and approval of this Letter Agreement. This Letter Agreement shall become effective upon such approval. If for some reason the Commission rejects all or part of the Letter Agreement, including the attached TRO/USTA II Amendment, either party may at its option declare the remainder of the Agreement void and be excused from any performance thereunder.
3. Notwithstanding the mutual commitments set forth herein, the Qwest is entering into this Letter Agreement without prejudice to any positions it has taken previously, or may take in the future, in any legislative, regulatory, or other public forum addressing any matters, including those relating to the types of arrangements contained in the Underlying Agreement. During the proceeding in which the Commission is to review and approve the Letter Agreement, Qwest may point out that it has objected, and continues to object, to the inclusion of the terms and

conditions to which it objected in the proceedings involving the approval of the Underlying Agreement.

4. Global Connection adopts the terms and conditions of the Underlying Agreement for interconnection with Qwest and in applying the terms and conditions, agrees that Global Connection be substituted in place of "AT&T Communications of the Pacific Northwest, Inc." throughout the Underlying Agreement wherever the latter appears.

5. Qwest requests that notice to Qwest Corporation as may be required under the Underlying Agreement shall be provided as follows:
