Application for Oregon Universal Service	)	
Support Eligibility and Dialing Parity Plan.	)	

**DISPOSITION: MOTION GRANTED; DOCKET REACTIVATED**

On August 1, 2005, Wantel Inc, dba CompsanUSA, filed a motion to reopen this docket. In support of the motion, Wantel states that it has been granted federal ETC status, which is a prerequisite to obtaining ETC status for the Oregon Universal Service Program.

This docket is hereby reactivated. Pursuant to the schedule adopted at the March 17, 2005 Prehearing Conference, the Commission Staff shall proceed with its review of the application, and may request Wantel to supplement the original application as needed. Staff shall notify the Administrative Hearings Division if, during its investigation and discussions with the parties, it determines that contested case procedures are necessary.

Dated in Salem, Oregon, this 5th day of August, 2005.
