Dear Ms Choroser:

We have received your request that, under Section 252(i) of the Telecommunications Act of 1996, Comcast Phone of Oregon, LLC ("CLEC") wishes to "Pick and Choose" in its entirety, the terms of the Interconnection Agreement and any associated amendments, if applicable, ("Agreement") between AT&T Communications of the Pacific Northwest, Inc. and Qwest Corporation fka U S WEST Communications, Inc. ("Qwest") that was approved by the Commission on December 2, 2004 as an effective agreement in the State of Oregon. Comcast Phone of Oregon, LLC ("CLEC") is a Delaware limited liability company. We understand you have a copy of the wireline agreement.

Paragraph 22 of the FCC's Interim Rules Order¹ allows Qwest to deny a CLEC's request to opt into interconnection agreements pursuant to Section 252(i) that contain certain network elements "frozen" by the Interim Rules Order as of June 15, 2004, including but not limited to mass market switching, DS1 and DS3 loops and transport, and dark fiber. Because CLEC had access to these elements in its previous interconnection agreement as of June 15, 2004, however, Qwest will not deny CLEC's instant request. The Parties agree to hereafter amend the Agreement in accordance with FCC permanent rules and other changes in law, pursuant to the change of law language of the Agreement.

With respect to the aforementioned Agreement, Qwest and CLEC ("the Parties") understand and agree:

1. The Parties shall request the Commission to expedite its review and approval of this Agreement. This Agreement shall become effective upon such approval.
2. Notwithstanding the mutual commitments set forth herein, the Qwest is entering into this Agreement without prejudice to any positions it has taken previously, or may take in the future, in any legislative, regulatory, or other public forum addressing any matters, including those relating to the types of arrangements contained in this Agreement. During the proceeding in which the Commission is to review and approve

¹ *In the Matter of Unbundled Access to Network Elements; Review of the Section 251 Unbundling Obligations of Incumbent Local Exchange Carriers*, WC Docket No. 04-313; CC Docket No. 01-338 (FCC 04-179, rel. August 20, 2004).

the Agreement, Qwest may point out that it has objected, and continues to object, to the inclusion of the terms and conditions to which it objected in the proceedings involving the approval of the Underlying Agreement.

3. CLEC adopts the terms and conditions of the AT&T Communications of the Pacific Northwest, Inc. Agreement for interconnection with Qwest and in applying the terms and conditions, agrees that Comcast Phone of Oregon, LLC be substituted in place of "AT&T Communications of the Pacific Northwest, Inc." throughout the Agreement wherever the latter appears.

4. Qwest requests that notice to Qwest Corporation as may be required under the Agreement shall be provided as follows:
