Cheryl: Below is the response I received from Qwest's contract manager for this CLEC. Mr. Maese is the new contact, however, it was Mr. Aronow who signed the amendment.

Thanks,

Carla

Carla:

David Aronow's email address is: daronow@mettel.net. The latest contact that I've been using is Leo Maese at lmaese@mettel.net. You might try Mr. Maese instead,

Charlie

Hi, Carla. I would appreciate it if you could check the undeliverable e-mail address for Mr. Aronow, and get back to me.

Thank you.

Cheryl
