EUGENE WATER AND ELECTRIC BOARD'S PETITION TO INTERVENE

Pursuant to ORS § 756.525 and OAR § 860-013-0021, the Eugene Water and Electric Board ("EWEB") hereby submits this Petition to Intervene in the above-captioned proceedings and seeks party status as provided in OAR § 860-011-0035(5). In support of this Petition, EWEB states as follows:

1. The name and address of EWEB as a party of record in this proceeding is:

Ken Beeson
Energy Resource Projects Manager
Eugene Water & Electric Board
500 East Fourth Avenue
P.O. Box 10148
Eugene, Oregon 97440-2148
(541) 484-2411
(541) 341-1889 (fax)
Email: ken.beeson@eweb.eugene.or.us

J. Laurence Cable will represent EWEB in this proceeding. All documents related to this proceeding should be served on EWEB's attorneys at the following address:

E-Mail: lcable@chbh.com

2. EWEB is a municipal utility organized under the City of Eugene Charter and the Constitution and laws of the State of Oregon. EWEB is not a public utility subject to the general jurisdiction of the Oregon Public Utility Commission ("Commission"). ORS 757.065(1)(b)(A).

3. EWEB has a direct and substantial interest in this proceeding. EWEB is a co-owner and co-licensee with PGE of the Trojan Nuclear Project and the Trojan independent spent fuel storage installation (collectively, "Trojan"). Activities relating to decommissioning and spent fuel responsibilities at Trojan are ongoing and will continue for many years into the future. PGE, as majority owner, must maintain sufficient financial resources, on both a long-term and short-term cash flow basis, to meet its Trojan obligations. This proceeding addresses a proposal to issue new common stock and an order allowing the "Reserve for Disputed Claims" to hold

more than five percent of the new PGE common stock. Accordingly, this application could impact the financial resources available to PGE to meet its Trojan obligations.

4. EWEB's participation in this proceeding will assist the Commission in resolving the issues, and will not unreasonably broaden the issues, unduly burden the record, or delay the proceeding. No other party can adequately represent EWEB's interest, and EWEB will be affected by any Commission determination made in this proceeding.

WHEREFORE, EWEB respectfully requests leave to intervene and requests all the rights of a party in this proceeding.

Respectfully submitted,
