DISPOSITION: MOTIONS CONDITIONALLY GRANTED

On September 1, 2005, Portland General Electric Company (PGE), Stephen Forbes Cooper, LLC, as Disbursing Agent, on behalf of the Reserve for Disputed Claims (Cooper), Enron Corp. (Enron), Staff of the Public Utility Commission of Oregon (Staff), and Industrial Customers of Northwest Utilities (ICNU) (collectively, "Movants"), filed a stipulation in these dockets. Along with that Stipulation, they submitted two motions.

The first motion is to waive the requirement in OAR 860-014-0085(4) that supporting testimony be filed with the filing of the Stipulation. Movants will file testimony supporting the Stipulation by the close of business September 7, 2005.

In the second motion, Movants request that the 20-day time period for filing objections to the Stipulation set forth in OAR 860-014-0085(5) be shortened to require any objections to be filed by September 16, 2005. The deadline for the City of Portland's testimony was extended to that date by a ruling on August 30, 2005. To allow parties to review the testimony to accompany the Stipulation, the deadline for all Staff and Intervenor testimony that would have been submitted on September 9, is now moved to September 16, 2005.

Due to the short time frame, these motions are conditionally granted in advance of the expiration of the time for responses to the motions. Any person wishing to contest the motions may do so within 5 days of service of the motions. If no person contests these motions, this decision shall be final.

Dated at Salem, Oregon, this 1st day of September, 2005.
