RULING

**DISPOSITION: MOTION GRANTED**

On April 14, 2006, Cingular Wireless requested an extension for submission of opening briefs from today to Monday, April 17, 2006. Cingular Wireless stated that it had conferred with the other parties in the case. The other parties agreed to the extension, but requested that it apply to all parties, if granted. The extension does not have a significant impact on the schedule in the case; the second round of briefs is due April 28, 2006.

The motion is granted, and the extension will apply to all parties.

Dated at Salem, Oregon, this 14th day of April 2006.
