RULING

DISPOSITION: SCHEDULE MODIFIED

On March 25, 2010, Portland General Electric Company (PGE) filed a motion to modify the schedule in the docket delineated above. PGE asserts that Staff and all parties to this docket, including the Oregon Citizens' Utility Board of Oregon (CUB) and the Industrial Customers of Northwest Utilities (ICNU), support the motion.

A schedule was established in this docket as of March 4, 2010. Since then, schedules have been established in dockets UE 215 and UE 217, two general rate cases for PGE and PacifiCorp, dba Pacific Power, respectively. As Staff and the parties to this docket are also involved in these general rate cases, PGE seeks to modify the schedule in this docket to avoid potential conflicts with the other dockets' schedules.

PGE proposes a modified schedule in this docket, as follows:

SCHEDULED EVENT	DATE
Settlement Conference	Wednesday, June 2, 2010
Staff's and Intervenors' Testimony Due	Thursday, July 15, 2010
Settlement Conference	Thursday, August 5, 2010
PGE's Rebuttal Testimony Due	Monday, August 16, 2010
Cross Examination Statements Due	Wednesday, September 1, 2010
Hearings Begin	Wednesday, September 8, 2010

Based on the representation by PGE concerning potential scheduling conflicts, I find good cause to modify the schedule as requested. Dates for settlement conferences may be changed without official notice. No changes are made to timelines

adopted in this docket for discovery or service of confidential and non-confidential information.

Dated at Salem, Oregon, this 30th day of March, 2010.
