Interconnection Agreement between Comcast Phone and Verizon Wireless

Dear Ms. Bailey-Goggins:

Pursuant to correspondence with the Public Utility Commission of Oregon (“Commission”) staff, Celeste Hari, we have been informed that the Commission does not have jurisdiction over interconnection agreements between Comcast Phone, a competitive local exchange carriers (“CLECs”) and Verizon Wireless, a commercial mobile radio service (“CMRS”) provider. As such, by this letter, Comcast Phone and Verizon Wireless hereby respectfully withdraw the above captioned request.

An original and two (2) copies of this letter are enclosed. Also enclosed is a duplicate copy of this filing, and a self-addressed, postage-paid envelope. Please date-stamp the duplicate upon receipt and return it in the envelope provided. Should you have any questions concerning this matter, please contact me at (202) 955-9766 or via email at eemott@kelleydrye.com. Thank you for your attention to this matter.

Respectfully submitted,

Erin Weber Emmott
