Pursuant to ORS § 756.525 and OAR § 860-012-0001, the Industrial Customers of Northwest Utilities (“ICNU”) petitions the Public Utility Commission of Oregon (“OPUC” or the “Commission”) to intervene in this proceeding with full party status as described in OAR § 860-011-0035(5). In support of this petition, ICNU represents as follows:

1. The business address of ICNU is:

3. ICNU is an incorporated, non-profit association of large industrial electric customers in the Pacific Northwest, with offices in Portland, Oregon. A list of ICNU members is included as Attachment A. Many of ICNU's members are customers of Portland General Electric Company ("PGE"), as shown in Attachment A.

4. ICNU has a substantial interest in PGE's Application for the approval of asset purchase and development agreement in Sherman County, Oregon, which was filed on April 14, 2006. The transaction proposed in this Docket may directly affect the rates that PGE provides to ICNU's members.

5. ICNU represents the interests of a number of large electric customers in the State of Oregon. ICNU's intervention in this proceeding will assist the Commission in resolving the issues and will not unreasonably broaden the issues, burden the record, or delay this proceeding.

6. As described above, ICNU has a direct and substantial interest in this proceeding that will not be adequately represented by any other party, and may be affected by any Commission determination made in connection with these proceedings. It is in the public interest to allow ICNU to intervene in this proceeding.

WHEREFORE, ICNU respectfully requests that the Commission grant its petition to intervene with full party status in this proceeding.
