**DISPOSITION: MOTION TO RESCHEDULE WORKSHOP
GRANTED; PARTIES DIRECTED TO CONFER
AND REPORT REGARDING SCHEDULE.**

By motion dated January 19, 2007, Idaho Power Company (“Idaho Power”) requests that a workshop set for January 22nd be rescheduled for February 21, 2007. Idaho Power asserts that parties will benefit from additional time to work together, and that no party objected to the proposed change.

Idaho Power’s motion is granted. I note that the schedule now contemplates the filing of issues list(s) on February 16, 2007. The parties are directed to confer regarding a date for the filing of issues list(s), as well as dates for opening and closing comments. As the moving party in this instance, I direct Idaho Power to file a report regarding proposed dates within fifteen days. Thereafter, parties will have ten days to file any response.

Dated at Salem, Oregon, this 23rd day of January, 2007.
