RECITALS

WHEREAS, the Parties entered into a Type 1 and Type 2 Paging Connection Service Agreement (“Agreement”) for service in the state of Oregon which was approved by the Commission on November 13, 2006; and

WHEREAS, the Parties desire to amend the Agreement further under the terms and conditions contained herein.

AGREEMENT

NOW THEREFORE, in consideration of the mutual terms, covenants and conditions contained in this Amendment and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

Amendment Terms

The Agreement is hereby amended for Reciprocal Compensation to be at Bill and Keep for the exchange of Exchange Service or Extended Area Service (EAS/Local) Traffic by adding terms and conditions as set forth in Attachment 1, Appendix A and Appendix C to this Amendment, attached hereto and incorporated herein by this reference.

No waiver by any Party of any default, misrepresentation, or breach of warranty or covenant hereunder, whether intentional or not, will be deemed to extend to any prior or subsequent default, misrepresentation, or breach of warranty or covenant hereunder or affect in any way any rights arising by virtue of any prior or subsequent such occurrence.

Entire Agreement

The Agreement as amended (including the documents referred to herein) constitutes the full and entire understanding and agreement between the Parties with regard to the subjects of the Agreement as amended and supersedes any prior understandings, agreements, or representations by or between the Parties, written or oral, to the extent they relate in any way to the subjects of the Agreement as amended.

The Parties intending to be legally bound have executed this Amendment as of the dates set forth below, in multiple counterparts, each of which is deemed an original, but all of which shall constitute one and the same instrument.
