RE: Rice Hill Water District
Docket WJ 9

Dear ALJ Petrillo,

At the prehearing conference in this matter, you requested future updates regarding the parties' informal discussions. The purpose of this letter is to notify you that the parties have informally met and agreed upon a general timeline for subsequent actions.

The parties met on June 5, 2007. The parties further agreed that they would exchange additional documentation on, or before, June 19, 2007. By July 3, 2007, the parties agreed that a statement of facts would be informally circulated amongst themselves. Finally, the parties also agreed that they would meet again on, or about, July 11, 2007.

If you have any questions, please do not hesitate to contact me. Unless I hear otherwise from you, the parties will plan on another update to you around the middle of July.

Sincerely,

Jason W. Jones
