**Re: Docket No. UM 1289**

On December 15, 2006, PacifiCorp (or the "Company") filed an Application for Deferred Accounting for costs associated with network damage from the windstorm in Oregon on December 14-15, 2006. This Application, docketed as UM 1289, was provisional. As noted in the Application, the Company was still assessing the damage to determine which losses, if any, would be covered by insurance.

PacifiCorp has now completed its assessment and has determined that, but for a nominal deductible, the storm is a fully covered event under its insurance. The relevant policies were issued by MidAmerican Energy Holdings Company Insurance Services Ltd., which was approved as PacifiCorp's captive insurance provider in Commission Order No. 06-498, UI 253 (August 24, 2006).

Based upon these facts, PacifiCorp respectfully withdraws its Application for Deferred Accounting and requests that the Commission close this docket.

Very truly yours,
