Re: Astound Broadband, LLC – Notice of Intent to Operate Under a “DBA”

To Whom It May Concern:

Astound Broadband, LLC (“Astound” or the “Company”), an authorized telecommunications carrier in Oregon, hereby respectfully notifies the Oregon Public Utility Commission (“Commission”) that it proposes to operate in Oregon under both its own name and, for certain business services, under the “doing business as” name (“DBA”) of Astound Business Solutions. The Company is currently launching use of the Astound Business Solutions name as a brand, but intends to transition to use of Astound Business Solutions as its operating name for business services by mid/late spring 2022.

The Company’s customers have received written notice regarding the Company’s intention to operate under the new DBA. These notices, supported by the Company’s customer service resources, will ensure that customers are not confused by the transition. In support of the Company’s planned use of the DBA, Astound provides a copy of the authorization from the Oregon Secretary of State for the Company to use the approved DBA.

The Company submits this notice to update the Commission’s records. Please contact the Company’s undersigned counsel with any questions regarding this filing or if additional information is required.

Respectfully submitted,

/s/ Winafred Brantl
