Re: ARB 909 - Mount Angel Telephone Company

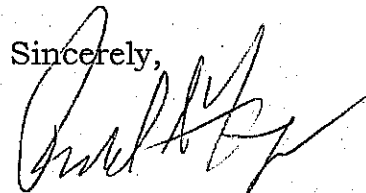

Dear Sir/Madam:

The parties have reached an agreement in principle. The purpose of this letter is to request a fourteen day extension in all schedule dates, which will also mean a fourteen day extension in the time for the Commission to take final action if for some unforeseen reason the agreement between the parties falls apart.

The parties fully expect to be able to file a fully negotiated ICA to resolve this matter within the next fourteen days.

Thank you for your attention to this matter.

Sincerely,

RICHARD A. FINNIGAN
