

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

UE 219

In the Matter of

PACIFICORP, dba PACIFIC POWER,

Application to Implement the Provisions of
Senate Bill 76.

SCOPING MEMORANDUM

On December 7, 2023, the Commission noticed a prehearing conference for December 20, 2023, and asked that the parties develop a draft schedule prior to that date. The Commission is interested in factual development around the issue of whether the interest funds in question would or could be used for the benefit of customers if dispersed to KRRC.¹ At this time, the Commission does not request testimony or an evidentiary hearing, but it would like the parties to hold a workshop prior to legal briefing to discuss this issue. A prehearing conference will subsequently be scheduled so the ALJ can be briefed on the results of the workshop.

The parties are requested to incorporate this workshop and the subsequent prehearing conference into their draft schedule.

Dated this 15th day of December 2023, at Salem, Oregon.
