UE 219 Parties –

Due to a scheduling conflict on behalf of some parties' attorneys scheduled to attend a bar conference in the state of Washington, we have been asked to move the telephone conference scheduled in UE 219 for July 7, 2010, at 10:00 a.m. to sometime in the afternoon. **The telephone conference will be moved to 2:00 p.m. on July 7, 2010.**

In preparation for the telephone conference, we ask each party to consider availability for a workshop at 9:30 a.m. on July 23, 2010.

Thank you for understanding. I will issue a new Notice of Telephone Conference with the **NEW DIAL-IN #, ASAP.**
