Re: PGE 2022 Notice of Promotional Concession; Electric Tool Exchange Events

This letter serves to advise of Portland General Electric Company's (PGE) planned Promotional Concession of two Electric Tool Exchange Events submitted pursuant to Oregon Administrative Rules (OARs) 860-026-0015 and 860-026-0025. The Electric Tool Exchange Event allows Customers who register in advance to exchange gasoline-powered lawn mowers, chainsaws, leaf blowers, and/or trimmers for a rebate/gift card toward the purchase of a new electric lawn mower, chainsaw, leaf blower, and/or trimmer. Customers will receive a \$100 rebate/gift card for each gasoline-powered mower or a \$50 rebate/gift card for each gasoline-powered chainsaw, leaf blower, or trimmer exchanged. The rebate/gift card will be used toward the purchase of a new electric landscaping tool of the Customer's choice. Customers may exchange multiple qualifying landscape tools, with a maximum rebate per customer of \$250.

The benefits of PGE offering this Promotional Concession, which increases electric load among participating customers only incidentally, is to help customers decarbonize their energy footprint through electrification of their landscaping tool going from gas to electric.

The first Electric Tool Event is Scheduled for October 8, 2022 at the Portland Home & Garden Show. The event will be publicized via social media, emails, and in coordination with the Home & Garden Show's marketing.

PGE has partnered with the city of Milwaukie to offer another Electric Tool Exchange Event October 22, 2022. The event aligns with the City of Milwaukie's climate action plan and its policy toward city-wide decarbonization. The Event is being publicized via the City of Milwaukie's social media, neighborhood newsletters, neighborhood association pages, Milwaukie Park's Program website, the City of Milwaukie's website, and various recruitment tabling events at the Milwaukie Farmer's Market.

PGE's estimated cost in providing Customer rebates for the Electric Tool Exchange Events is approximately \$10,000 for the Milwaukie event and up to \$40,000 for the Home Show, paid for by PGE Shareholders.
