RE: PGE 2019 Reporting of Promotional Concessions and Activities

This report serves to inform the Commission, as required in Oregon Administrative Rule (OAR) 860-026-0035, that Energy Utilities who engage in Promotional Activities or Concessions must file an annual report with the Commission. In 2019, PGE did not engage in promotional activities or offer any promotional concessions as defined in OAR 860-026-0010 or OAR 860-026-0015, respectively. While PGE did file a notice of promotional concessions, on November 30, 2018 for the 2019 calendar year with the Commission, pursuant to OAR 860-026-0025, none of those activities meet the definition of promotional activity or concession; PGE noted that in the notice.
