**NOTICE OF
PUBLIC COMMENT MEETINGS**

At our Regular Public Meeting held on April 9, 2013, members of the public offered comments regarding the general rate requests filed by Portland General Electric Company (PGE) and PacifiCorp, dba Pacific Power.¹ Those providing comments also requested that the Commission schedule Public Comment Meetings to allow customers and the public an opportunity to provide additional comments on the requests.

We granted the request for Public Comment Meetings, which will be held as set forth below. Each Public Comment Meeting will begin at 6 p.m. with an Open House, where the Administrative Law Judge, Commission Staff, and utility and party representatives will be available to answer individual questions. After each Open House, the Commission will hold a formal Public Comment Meeting, at which members of the public may offer unsworn testimony to the Commissioners and Administrative Law Judge. A court reporter will be present to record comments.

All comments received at the Public Comment Meeting will become part of the public comment record in each proceeding. Because the purpose of these meetings is to take comments from the public, the Commissioners and utilities will not make formal presentations.

¹ Audio recording of the public comments may be accessed at the following link:
