vs.

PACIFICORP, dba PACIFIC POWER

Defendant.

**PREHEARING CONFERENCE
MEMORANDUM**

On July 15, 2014, the Public Utility Commission of Oregon held a prehearing conference in this docket. Representatives appeared on behalf of Loyd Fery Farms, LLC; Roush Hydro, Inc.; and PacifiCorp, dba Pacific Power.

Procedural Schedule

The parties agreed to the following procedural schedule, which was adopted:

EVENT	DATE
Submission of Requested Documents from PacifiCorp	September 3, 2014
Hearing	September 17, 2014, 9:00 a.m.

The parties also agreed that PacifiCorp would submit copies of the following documents:

- The last 12 months of QF avoided cost payments to Loyd Fery Farms and Roush Hydro, as well as any bills for station service;
- PacifiCorp's previous Schedule 37;
- The current PPA term extension; and
- The previous PPA for both Loyd Fery Farms and Roush Hydro.

A question was raised about proper service of these documents, and whether PacifiCorp needs to e-file these documents with the Commission's filing center so they will be docketed and viewable on the Commission's website. I have learned that, in addition to service on the parties, the documents do need to be sent to the filing center for docketing. I ask the parties to work with each other to identify any information they deem

confidential, so that redacted copies may be sent to the filing center for docketing and viewing on the Commission's website.

Prior to the hearing I will issue a notice providing guidance on expected hearing procedures and any questions I would like the parties to address at the hearing. In the meantime, if any party has questions, they may contact the Administrative Hearings Division at (503) 378-6678 or puc.hearings@state.or.us.

Dated this 16th day of July, 2014, at Salem, Oregon.
