ANGLERS COVE SHADY COVE HEIGHTS WATER COMPANY

The Annual Results of Operations Report, required by the Public Utility Commission (PUC or Commission) under the authority of the Oregon Revised Statutes (ORS) 757.125 and 757.135, is based on the utility's operations for a calendar or fiscal year and is a convenient method for the Commission's staff to monitor the utility's results of operations. It must be filed electronically with the PUC on or before April 1<sup>st</sup> of the year following that for which the report is made. Attach the completed report **in Excel ONLY with formulae intact** and any supplementary pages to an email addressed to the following address: [puc.filingcenter@state.or.us](mailto:puc.filingcenter@state.or.us).

- Interpret all accounting words and phrases in accordance with the USOA.
- Special or unusual entries and all discrepancies must be fully explained. Describe fully any unusual entries and discrepancies in a narrative explanation in the tab titled "Notes."
- If the utility has filed, or intends to file, a separate rate schedule in its tariff for non-contiguous portions of its water system, separate accounting for Operating Revenues, Operating Expense, Plant Investments, and related Reserve for Depreciation must be maintained by the utility for each portion of the water system relating to each separate rate schedule. This annual report, however, should include the combined financial data for the utility.
- Each incorporated utility is requested to file with this report a copy of its most recent annual report to stockholders, if one is prepared.
- All schedules that call for the balance at the beginning of the year should reflect the same end of year balance **exactly** as shown in the prior year's annual report. Any adjustments to the ending balances shown in the report for the previous year should be reflected in the current year's activity and reported along with an explanation in the annual report.
