Advice Letter No. 12

Ms. Joan Grindeland
Oregon Public Utility Commission
3930 Fairview Industrial Drive SE
Salem, Oregon 97308

Dear Ms. Grindeland:

After discussions with the Oregon PUC Staff on April 14, 2015, Canby Telephone Association ("Canby") respectfully submits the following change to Page 234.1 of the PUC Or. No. 3, Access Services Tariff to provide clarification for rate element charges. Canby clarifies that the proposed rate decrease for ETS Local Loop will not cause Canby to offer this service below cost. Current market conditions warrant a rate reduction for ETS Local Loop 500 Mbps and 1 Gig. In addition, Canby is not projecting any revenue impact with the introduction of ETS Interoffice Transport.

Canby Telephone Association respectfully requests that this filing become effective May 4, 2015.

Please date stamp a copy of this transmittal and return it to us for our records.
