RE: Avista 2016 Back-Billing Report per Docket AR 579, Order No. 14-230

Avista Corporation, dba Avista Utilities or (“Avista” and/or the “Company”), hereby submits its 2016 Back-Billing Report as required by Order No. 14-230 in Docket AR 579. Order 14-230 requires the following:

For the next two years, any utility waiving a billing adjustment under the rules adopted in this order must file an annual report that documents the number of customers who were over-billed or under-billed in the previous twelve months and did not receive a billing adjustment, as well as the basis for the utility's decision that the billing adjustments would be uneconomical. The first report must be filed one year from the date of this order. The second report must be filed two years from the date of this order.

The Company tracks and reviews all bill adjustments on a monthly basis. For this reporting period (June 2015 through May 2016), Avista did not waive any billing adjustments due to the adjustment being uneconomical.

If you have any questions regarding this report please me at (509) 495-2782.

Sincerely,

Shawn Bonfield
