Pursuant to OAR § 860-001-0420, Northwest Natural Gas Company (“NW Natural”) submits this motion to amend the procedural schedule. The current procedural schedule includes a second prehearing conference on Thursday December 17, 2015. At the December 8, 2015 workshop in this docket, the parties agreed to hold a second workshop on January 15, 2016 to further explore the issues raised by NW Natural and the parties related to the investigation of NW Natural’s WARM Program. At the second workshop, the parties also intend to discuss the procedural process moving forward in this docket. As such, NW Natural moves to amend the procedural schedule and change the date of the second prehearing conference from December 17, 2015 to any of the following dates: February 16, 2016, February 17, 2016, or February 19, 2016. NW Natural has verified that these potential dates are currently available for the Administrative Law Judge.

NW Natural has conferred with the other parties to this proceeding, and all parties support the change to the procedural schedule. NW Natural requests

expedited consideration of this motion given that the second prehearing conference is currently scheduled in three days.

Dated this 14th day of December 2015.

Respectfully submitted,
