

**PUBLIC UTILITY COMMISSION OF OREGON  
INTEROFFICE CORRESPONDENCE**

**DATE:** June 1, 2016  
**TO:** File through Mike Dougherty   
**FROM:** Scott Gibbens   
**SUBJECT:** UE 301 Tariff Sheets

I have reviewed the tariff sheets filed by Idaho Power that were the result of the UE 301 Power Cost Filing. All rate changes are consistent with the stipulated agreement and result in the agreed upon required revenue adjustment. I recommend the approval of tariff sheets as filed and that they be allowed to go into effect on June 1, 2016.
