

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

UE 301

In the Matter of

IDAHO POWER COMPANY,

2016 Annual Power Cost Update.

RULING

DISPOSITION: MOTION GRANTED; SCHEDULE SUSPENDED

On April 21, 2016, the Commission Staff filed a motion on behalf of all of the parties in the proceeding to immediately suspend the schedule. In support of the motion, Staff represents that the parties have reached an agreement in principle that resolves all outstanding issues in this proceeding and expect to submit a stipulation and joint supporting testimony no later than May 11, 2016. As the hearing in this matter is currently set for April 25, 2016, Staff requests expedited consideration of the motion.

I find that good cause exists to suspend the schedule. The motion is granted. The parties shall file either a stipulation with supporting testimony or status report regarding their negotiations no later than May 11, 2016.

Dated this 21st day of April, 2016, at Salem, Oregon.
