

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

UM 1755

In the Matter of

PORTLAND GENERAL ELECTRIC
COMPANY,

2017-2021 Renewable Portfolio Standard
Implementation Plan.

STAFF'S REQUEST FOR WAIVER OF OAR 860-
083-0350(4) TO ALLOW FOR LATE FILING OF
STAFF'S COMMENTS

EXPEDITED CONSIDERATION REQUESTED

Pursuant to OAR 860-083-0005(2), Staff of the Public Utility Commission of Oregon (Staff) requests a waiver of the time set by OAR 860-083-0350(4) for filing its Comments in this docket. This motion is required because Staff's Comments were due under the rule within 45 calendar days of Portland General Electric Company's (PGE) filing of its Renewable Portfolio Standard Implementation Plan (i.e. Staff's Comments were due February 16, 2016). *See* OAR 860-083-0350(4). Due to unforeseen circumstances, Staff was not able to meet this deadline but filed its Comments earlier today (February 17, 2016).

Staff also requests and recommends that the Administrative Law Judge grant PGE until March 18, 2016 to respond to its Comments in order to allow the company its full 30 calendar days' response time as permitted by OAR 860-083-0350(4). Staff further notes that the only other event to occur in this docket is for the matter to be considered by the Commission at a future, unscheduled public meeting. Granting Staff's motion will not affect the timing of this final event.

1 Staff is authorized to state that PGE and the Industrial Customers of Northwest Utilities
2 do not oppose this motion. Staff also notified the Citizens' Utility Board of Oregon (CUB), the
3 only other active party, late yesterday of its intent to file this motion but had not yet heard back
4 from CUB as of the time of its filing.

5 DATED this 17th day of February, 2016.

6 Respectfully submitted,
