Pursuant to ORS § 756.525 and OAR § 860-001-0300(2), the Industrial Customers of Northwest Utilities (“ICNU”) hereby petitions the Oregon Public Utility Commission (“Commission”) to intervene in this proceeding with full party status as described in OAR § 860-001-0010(7). 3. ICNU is an incorporated, non-profit association of large industrial electric customers in the Pacific Northwest, with offices in Portland, Oregon. A list of ICNU members is included as Attachment A. Many members of ICNU are customers of PacifiCorp, as indicated on Attachment A.

4. On April 1, 2016, PacifiCorp filed its annual Transition Adjustment Mechanism (“TAM”), the purpose of which is to update PacifiCorp’s net power costs and to establish transition credits or charges for direct access customers. Any adjustment to how such costs are passed along to customers will substantially and directly affect those of ICNU’s members who purchase power from PacifiCorp. ICNU requests leave to intervene in this Docket to represent its members who are affected by any change to PacifiCorp’s rates.

5. ICNU represents the interests of a number of large electric customers served by PacifiCorp in Oregon. ICNU also has significant experience participating in proceedings involving PacifiCorp’s TAM filings. ICNU’s intervention in this proceeding will assist the Commission in resolving the issues in this proceeding and will not unreasonably broaden the issues, burden the record, or unreasonably delay this proceeding.

6. As described above, ICNU has a direct and substantial interest in this proceeding that will not be adequately represented by any other party, and may be affected by

any Commission determination made in connection with this proceeding. It is in the public interest to allow ICNU to intervene in this proceeding.

WHEREFORE, ICNU respectfully requests that the Commission grant its petition to intervene with full party status in this proceeding.

Dated this 1st day of April, 2016.

Respectfully submitted,

DAVISON VAN CLEVE, P.C.
