RE: Supplemental Filing of Advice No. 16-07, Housekeeping

Portland General Electric (PGE) submits this supplemental filing pursuant to Oregon Revised Statutes 757.205 and 757.210, and Oregon Administrative Rule (OAR) 860-022-0025, for filing proposed tariff sheets associated with Tariff P.U.C. No. 18. PGE initially filed Advice No. 16-07 on April 27, 2016, with a requested effective date of June 8, 2016, which remains the same. PGE submits this supplemental filing to include the below sheet showing that the lighting moved from Sheet No. 591-11 to 591-13. The language for service rates for alternative lighting dropped off at some point during a "move" of material and repagination.

Enclosed is an additional sheet:

Seventh Revision of Sheet No. 591-11

All other sheets remain as previously filed

To satisfy the requirements of OAR 860-022-0025, PGE provides the following response:

The proposed housekeeping change in this supplemental filing moves text from Sheet No. 591-11 to Sheet No. 591-13. Sheet No. 591-13 contained the move in the original filing on April 27th. OAR 860-022-0030(1) does not apply as this supplemental filing does not propose to increase prices.

Should you have any questions or comments regarding this filing, please contact Mary Widman at (503) 464-8223. Please direct all formal correspondence and requests to the following email address pge.opuc.filings@pgn.com

Sincerely,
