Riley Solar I LLC (“Riley Solar I”) respectfully submits to the Oregon Public Utility Commission (“OPUC”) notice of voluntary dismissal of its complaint against Portland General Electric Company (“PGE”).

On June 21, 2016, Riley Solar I filed its complaint in this matter against PGE alleging that Riley Solar I was entitled to a fully executed standard contract for small qualifying facilities with PGE. Subsequently, PGE and Riley Solar I have resolved their dispute and executed a standard contract. Accordingly, Riley Solar I hereby voluntarily dismisses its complaint as allowed under ORCP 54A. *See* OAR 860-001-0000 (OPUC follows Oregon Rules of Civil Procedure to the extent consistent with OPUC’s administrative rules); ORCP 54A (plaintiff may voluntarily dismiss action without order of court). Riley Solar I therefore respectfully requests that the OPUC vacate the due date for PGE’s responsive pleading and close this docket.

Respectfully Submitted June 27, 2016
