RE: UW- 166 UF-4298

As requested from staff this is to confirm Roats Water System Inc. has closed with the City of Bend regarding the asset purchase agreement signed Aug 9<sup>th</sup> 2016. As indicated in the letter from the city manager, the terms and conditions of the agreement have remained unchanged. Roats Water System Inc. is currently serving the old Juniper Utility customers. Also there is no requirement from the city that Avion Water Co. and Roats Water System close with the city regarding the purchase of the Juniper assets at the same time.
