on Activities in Portland General Electric's Portland Harbor Environmental Remediation
Account (PHERA)**

Enclosed is the 2016 annual report, which also serves as the March 2017 quarterly update report, addressing all the PHERA reporting requirements set forth in Commission Order No. 17-071. Attachment 1 provides information on the status of PGE's environmental activities and legal developments relating to insurance proceeds. Attachment 2 provides the work papers supporting PGE's 2016 budget and actual expenses related to the Harborton Restoration Project.

All amounts reported represent transactions that occurred between the effective date of July 15, 2016, the date of the filing of PGE's deferral application (Docket No. 1789), and December 31, 2016.

This report, which is confidential and subject to protective Order No. 16-270, covers the reporting requirements set forth in Commission Order No. 17-071.

Should you have any questions or require further information, please call me at 503-464-8929.
