**STATUS REPORT AND
MOTION**

On October 20, 2016, the Administrative Law Judge in this docket granted a motion to suspend the procedural schedule. In that order the ALJ also set a deadline of today for the filing of a stipulation and supporting documents, or a status report.

The parties to this docket, Portland General Electric Company (“PGE”), Staff of the Public Utility Commission of Oregon, the Citizens’ Utility Board of Oregon (“CUB”), and the Industrial Customers of Northwest Utilities (collectively, the “Parties”), have made substantial progress in drafting a stipulation and supporting documents, but need some additional time. The Parties anticipate that they will be able to file a stipulation, supporting testimony, and revised proposed tariff sheets by the close of business on Friday November 18, 2016. CUB intends to file separate supporting testimony by Wednesday November 23, 2016. PGE, on behalf of the

Parties, therefore requests that the deadline for submission of these documents be moved accordingly.

DATED this 17th day of November, 2016.

Respectfully submitted,
