Re: **Schedule 301, Public Purposes Funding Surcharge**

Northwest Natural Gas Company, dba NW Natural (NW Natural or Company), files herewith the following revision to its Tariff, P.U.C. Or. 25, stated to become effective with service on and after January 1, 2017:

Third Revision of Sheet 301-1,
Schedule 301,
“Public Purposes Funding Surcharge.”

The purpose of this filing is to revise the portion of public purpose funds allocated to Energy Trust of Oregon (Energy Trust) for the administration of residential and commercial energy efficiency programs from 2.54% to 3.20%. This change will ensure that Energy Trust of Oregon (Energy Trust) will have approximately \$18.6 million dollars of total program funding in 2017, which is sufficient to acquire nearly 4.3 million therm savings.

This filing will result in a total public purpose charge of 4.20% applied to Residential bills and 3.45% applied to Commercial bills. The effect of this filing is to increase the average residential bill by about \$0.35 per month and the average commercial bill by about \$1.43 per month

Attached are worksheets demonstrating the calculation of the rate, the impact this will have on customer bills, and a worksheet from Energy Trust detailing their funding requirements for 2017.

Copies of this letter and the filing made herewith are available in the Company's main office in Portland, Oregon and on its website at www.nwnatural.com.

Please address correspondence on this matter to me with copies to the following:

NORTHWEST NATURAL GAS COMPANY

P.U.C. Or. 25

Fourth Revision of Sheet 301-1
Cancels Third Revision of Sheet 301-1

SCHEDULE 301 PUBLIC PURPOSES FUNDING SURCHARGE

PURPOSE:

To specify the method of billing of a Public Purposes surcharge that is to fund public purposes activities to be administered through one or more independent entities. Public purposes activities include, but may not necessarily be limited to, energy efficiency programs, market transformation programs, residential low-income energy efficiency programs, and residential low-income bill payment assistance programs designed to benefit Residential and Commercial Customers within NW Natural's service territory in Oregon.

APPLICABLE:

To Residential and Commercial Customers served on the following Rate Schedules of this Tariff:

Residential	Commercial
Rate Schedule 2	Rate Schedule 3 (03CSF)
	Rate Schedule 27 (27R)
	Rate Schedule 31 (31CSF)

ADJUSTMENT TO RATES: Effective: January 1, 2017

A Public Purposes surcharge will be assessed on the total energy use billed (the total of the Customer Charge plus the per therm usage charges) and shown as a line item on each customer's monthly bill as follows:

Residential: 4.20% of the total energy use billed
Commercial: 3.45% of the total energy use billed

(C)

(I)
(I)

The funds collected from such Public Purposes surcharge shall be allocated to specific separate accounts to fund the specified public purposes program(s) as follows:

RESIDENTIAL:

3.20% will support public purpose funding for **Schedule 350** energy efficiency programs delivered and administered by the Energy Trust of Oregon (Energy Trust).

(I)

0.75% will support public purpose funding for **Schedule 310** low-income bill payment assistance activities.

0.25% will support public purpose funding for **Schedule 320** low-income energy efficiency activities.

COMMERCIAL:

3.20% will support public purpose funding for **Schedule 350** energy efficiency programs delivered and administered by the Energy Trust.

(I)

0.25% will support public purpose funding for **Schedule 320** low-income energy efficiency activities.

(continue to Sheet 301-2)
