Judge Kirkpatrick

In response to your March 16, 2017 ruling and subsequent communications from the hearings office, the Renewable Energy Coalition has conferred with the other active parties to find modified schedule dates that accommodate a hearing on July 17 or 18, 2017. The Coalition has proposed the following schedule, which Staff, PacifiCorp, ICNU, NIPPC, CREA, and Oregon DOE all support or do not oppose. No other party has stated a position as of yet. If any party has a concern with the schedule below, the Coalition requests that a prehearing conference be held. Otherwise, the Coalition requests that the schedule below be adopted. The Coalition can file a formal motion if desired.
