RULING

DISPOSITION: EXPEDITED MOTION EXTENSION OF TIME GRANTED

On September 14, 2017, the Renewable Energy Coalition filed a motion for a one-day extension of time to file opening briefs, requesting expedited consideration because opening briefs are due September 15, 2017. The motion indicates that the Coalition sought the position of the active parties¹ in this proceeding regarding this extension. The Coalition's motion indicates the active parties supported, did not oppose, or otherwise did not respond by the time of its filing. Given the imminent due date, I have considered the motion on expedited basis and grant the motion. The due dates for opening and response briefs are modified, as follows:

Item	Current Due Date	Proposed Due Date
Opening Briefs		September 18, 2017
Response Briefs		September 25, 2017

Dated this 15th day of September, 2017, at Salem, Oregon.

Michael Grant
Chief Administrative Law Judge

¹ The Coalition identifies the other active parties as PUC Staff; PacifiCorp, dba Pacific Power; Community Renewable Energy Association; Industrial Customers of Northwest Utilities; Northwest and Intermountain Power Producers; Renewable Northwest; Cypress Creek Renewables, LLC; Idaho Power Company; Oregon Department of Energy; and Portland General Electric Company.
