RE: Frontier Communications Northwest Inc. – Busy Verification and Interrupt

Frontier Communications Northwest Inc. (Frontier) hereby submits for electronic filing the original and a redlined copy of the revised tariff sheets for the P.U.C. OR. No, 18 Tariff.

The purpose of this filing is to remove Busy Verification and Interrupt Services from the tariff and include these services in the Statewide Price List. These services were inadvertently excluded from the services and rate elements that were moved to the Statewide Price List during the Pricing Flexibility filing submitted in Advice Letter 1041 on August 28, 2014. We have discussed these changes in advance with Commission Staff and they are not opposed.

Please refer to Advice Letter No. 047SPL for the related changes being made to the Statewide Price List.

It is respectfully requested that this filing become effective on December 21, 2016.

Please return stamped tariff sheets to:

Frontier Communications  
Linda Saldaña  
9260 E. Stockton Blvd.  
Elk Grove, CA 95624

Any questions or notifications of action taken on this filing should be directed to Kirk Lee at (425) 261-5855 or [Kirk.Lee@ftr.com](mailto:Kirk.Lee@ftr.com).

Sincerely,

A handwritten signature in black ink that reads "R. Kirk Lee".
