SUBJECT: Avista's Compliance filing at Advices 16-16-G for Interest rate, and 16-17-G for Late Payment charge.

On November 30, 2016, Avista Utilities (Avista) proposed revisions to the following tariff sheets, P.U.C. OR. No. 5.

4th Revision Sheet 7B

3rd Revision Sheet 7B

On December 5, 2016, Avista proposed revisions to the following tariff sheets, P.U.C. OR. No. 5.

<u>Oregon PUC Sheet No.</u>	<u>Canceling Oregon PUC Sheet No.</u>
------------------------------------	--

6th Revision Sheet 20

5th Revision Sheet 20

Linda Gervais, Manager, Regulatory Policy of Avista requests to replace Oregon PUC Tariff Sheet No. 5, the 3rd Revision Tariff Sheet 7B with the 4th Revision Tariff Sheet 7B; and to replace Oregon PUC Tariff Sheet No. 5, the 5th Revision Tariff Sheet 20 with the 6th Revision Tariff Sheet 20.

In compliance with Commission Order No. 16-453 in Docket No. UM 779, "Public Utility Commission of Oregon Determination of Late-Payment Rate and Interest Accrued on Customer Deposits," Avista has made the tariff change to reflect the deposit interest rate of 0.7 percent which utilities must credit customers for deposits, and made the tariff change to reflect the late payment rate of 1.9 percent which utilities are allowed to collect on late payments.

I verified Avista's Advice filing and found that the new rates have been properly applied.

1. The Late Payment Fee of 1.9% of unpaid balance has been properly applied.
2. The new interest rate of 0.7% on Deposits has been properly applied.
3. The Effective for Service on & After January 1, 2017, is accurate.
4. Attachments: Avista's Tariff Sheets for Late Payment charge and interest rate.

 - c. The customer was not disconnected for nonpayment during the previous 12 months.
- 3. After satisfactory credit has been established or re-established, the deposit plus any accrued interest will be promptly refunded or credited to the customer's account. A customer is entitled to a refund upon request.
 - 4. In the event the customer moves to a new address within the Company's service area, the deposit, plus accrued interest, will be transferred to the new account.
 - 5. Deposits plus accrued interest can be refunded or credited, in whole or in part, to the customer's account at any time provided that procedures followed by the Company are non-discriminatory.

- D. Interest on Deposits for Residential and Non-Residential Service.
- 1. Each year, the Commission shall establish an annual interest rate that must be paid on customer deposits. The Commission will base the rate upon consideration of the effective interest rate for new issues of one-year Treasury Bills issued during the last week of October, the interest rate on the most recent issuance of one-year Treasury Bills, or the effective interest rate for the average yield of Treasury Bills of the closest term issued during the last week of October. This interest rate, rounded to the nearest 0.3% (when the T-Bill rate is lower than 0.5%), or 0.5% (when the T-Bill rate is 0.5% or higher) applies to deposits held during January 1 through December 31 of the subsequent year. The interest rate for 2017 is 0.7%.
 - 2. Upon payment of a deposit, the Company will provide the customer documentation showing the date, name of the applicant or customer, the service address, amount of deposit, a statement that the deposit accrues interest at the rate prescribed by the Commission, and an explanation of the conditions under which the deposit will be refunded.
