RE: Docket #UP 349

Dear Commissioners,

I urge you to delay the approval of Docket #UP 349 until a transportation study can be done to determine the economic and safety consequences resulting from a significant increase in train traffic affecting the communities of Scappoose, St. Helens, Rainier, and Clatskanie.

Thank you!

Joel Haugen  
52363 SW Jobin LN  
Scappoose, OR 97056
