

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

LC 68

In the Matter of

IDAHO POWER COMPANY,

2017 Integrated Resource Plan.

RULING

DISPOSITION: PETITION TO INTERVENE GRANTED FOR LIMITED
PURPOSES

On August 14, 2017, John Williams filed a petition to intervene in this docket. John Williams had previously filed a petition to intervene under the party name of Charles H. Gillis, attorney for Mr. Williams. The petition filed on August 14 corrects the name of the party for clarification purposes.

Although proceedings to review a utility's integrated resource plan (IRP) are not considered contested case proceedings under ORS 183.310(2), obtaining party status is necessary to be placed on the service list to receive copies of filings made by other parties and to be eligible to sign a protective order to obtain access to protected information. For those reasons, the Commission will grant petitions to intervene in IRP dockets, even though party status does not confer the general rights and duties granted to individuals who participate in contested case proceedings.

The petition to intervene, filed by John Williams is granted for the limited purposes described above.

Dated this 16th day of August, 2017 at Salem, Oregon.

Administrative Law Judge
