**Subject:** LC 68 Additional Items for Proposed Procedural Schedule

Parties to LC 68,

Parties are asked to include four items in addition to the traditional items in an IRP schedule when preparing a proposed schedule for discussion at the July 20, 2017 prehearing conference.

These additional items are listed below:

1. Presentation at a public meeting (before Staff and Intervenors file comments)
2. Public Comment Hearing, location TBD (before Staff and Intervenors file comments)
3. Commission Workshop #1 (after Staff and Intervenors file comments)
4. Commission Workshop #2 (after company files reply comments—or, if schedule provides for multiple rounds of comments like in LC 66, after Staff and Intervenors file final comments but before company files final reply comments)
